NOTES

A classic California blend of Zinfandel (75%), Barbera (20%) and Alicante Bouschet (5%). This vintage of Doris Red reminds me of the old Mezcolanza field blend produced up at School House Vineyard on Spring Mountain. Freshly ground black peppercorns and a punchy tartness carry through the finish.

THE TABLE WINES

Gail is a limited production, family-owned operation with a focus on the Sonoma Valley. Our single vineyard wines are produced from rare, backyard vineyards to established sites throughout the Sonoma Valley appellation, each bottle is numbered for release. Doris is our sister label, a nod to the European table wines our great aunt would serve to friends and family while hosting traditional Italian-American feasts in her backyard.
